Tuition Information for the 2024-25 School Year:

- **Annual Tuition:** The annual tuition for Kindergarten through 8th Grade for the 2024-25 school year is \$5,000 per child.
- **Tuition Payments:** Tuition payments are due on the first of each month and no later than the 8th. Payments not received within this 8-day grace period must include a late fee charge of \$25.00, without exceptions. Students whose payments are in arrears could be disqualified from participating in school activities, including but not limited to end-of-marking-period examinations and important classroom instruction.
- **Sibling Discount:** Families with more than one child enrolled in the same school year will receive a Sibling Discount. Each additional child enrolled will receive a \$200 reduction in annual tuition. This discount acknowledges and supports families with multiple children attending our school.
- **Late Enrollment/Re-Enrollment:** Families enrolling after June 1st, 2024, on **Payment Plan C** will be required to fulfill all tuition payments scheduled up to the time of enrollment within 60 days. For enrollment after the school year begins, tuition will be adjusted proportionally based on the remaining time in the academic year. This policy ensures fairness and flexibility for families who join our school community after the official enrollment period.
- **New Families Payment Policy:** We kindly request that all tuition payments for new students be made via cashier's checks or cash. Personal checks will not be accepted during your first school year with us. We appreciate your understanding and cooperation in this matter.
- **Handling Fee for Non-Cash/Check Payments:** For families opting to pay tuition via methods other than cash or check, such as credit/debit cards or electronic transfers, a handling fee is included.
